Dewan of Mysore

Sir,

I beg leave respectfully to bring before you the following request of mine for your kind and favourable consideration and to inform you that after 17 years' service in the Mysore State my late husband Mr J H Knight retired, but he did not enjoy his pension for more than 1 year and 8 months before he died at the comparatively early age of 53 years. He has left a family unprovided and the task has now devolved upon me to educate the younger members who are still at school. I give their names, age, and present stage of education reached by them

Name

Millicent Knight 16 Form

Mabelle Knight 11 Form II

Doris Knight 8 Class III

Mona Knight - 6 Standard I

I have to educate them at expensive European Schools which as you are aware are costly considering that my late husband enjoyed his pension for so short a period as 1 year and 8 months. I solicit that you may be pleased to grant monthly scholarships for the education of the above named children and thus enable them to acquire education befitting their father's position in the State

I beg that you may with your usual generosity take into consideration my late husbands very long, Zealous, and faithful services, and the present unprovided state of his family and be graciously pleased to grant the

To

Secretary to the Government of Mysore,
General & Revenue Departments,
Bangalore

SIR,

I have the honour to submit herewith a petition from Mrs Knight widow of the late Mr J W Knight, Assistant-Commissioner, for the favour of a monthly scholarship grant for her four children named in the petition They vary in age from 6 to 16 and have yet to receive the advantages of a good school education I believe Mrs Knight was an excellent servant of Government who retired at the age of 57 and enjoyed his pension for only one year and eight months I am also aware that what property Mrs Knight left has been mortgaged, and a coffee estate which forms by far the greater portion of the property has been so much encumbered that it is not

expected to live a [redacted]
five years more. The Agent of the Banga
lore Bank certifies that Mrs Knights
means are very limited Under these
circumstances I recommend that Govern-
ment may be graciously pleased to sanc-
tion a monthly scholarship grant of
not less than Rs Fifty for the education
of the four children of Mrs Knight named
in her petition for a period of five years,
subject to the condition that half-yearly
reports of their progress and conduct
at school are regularly submitted. The
favour asked for will be most highly
appreciated by the widow and children
of an old Government servant who
are in indigent circumstances

I have the honour to be,
Sir,
Your most obedient servant,

H W Bhabha
Inspector General.
